The TELUS team acknowledges that our work spans many Territories and Treaty areas and we are grateful for the traditional Knowledge Keepers and Elders who are with us today, those who have gone before us and the youth that inspire us. We recognize the land and the benefits it provides all of us, as an act of reconciliation, as recommended by the Truth and Reconciliation Commission's (TRC) 94 Calls to Action and express gratitude to those whose territory we reside on, work on or are visiting.
